

Install the DRC INSIGHT Secure Extension

TABE tests require the DRC INSIGHT Secure Extension in your Chrome browser. The extension must be installed before you can access your test. To install the extension, go to the Chrome Web Store using this link: <https://chrome.google.com/webstore/detail/drc-insight-secure-extens/oggpaamoiadlkolcfeimpjlmplhagpp>.

Click **Add to Chrome**.

Click **Add extension** to confirm.

The extension is added to the Chrome Browser. The following screen displays as confirmation.
