

TABE 11&12: The Most Up-to-Date NRS-Approved Tests of Adult Basic Education

WHAT'S UNIQUE ABOUT TABE 11&12?

TABE® 11&12 is the latest edition of DRC's Tests of Adult Basic Education (TABE) assessment for adult learners. For 50 years, TABE has been a well-respected assessment tool for use in adult education. Today, TABE remains the most comprehensive and reliable assessment product in the adult education industry, providing a solid foundation for effectively assessing the skills and knowledge of adult learners.

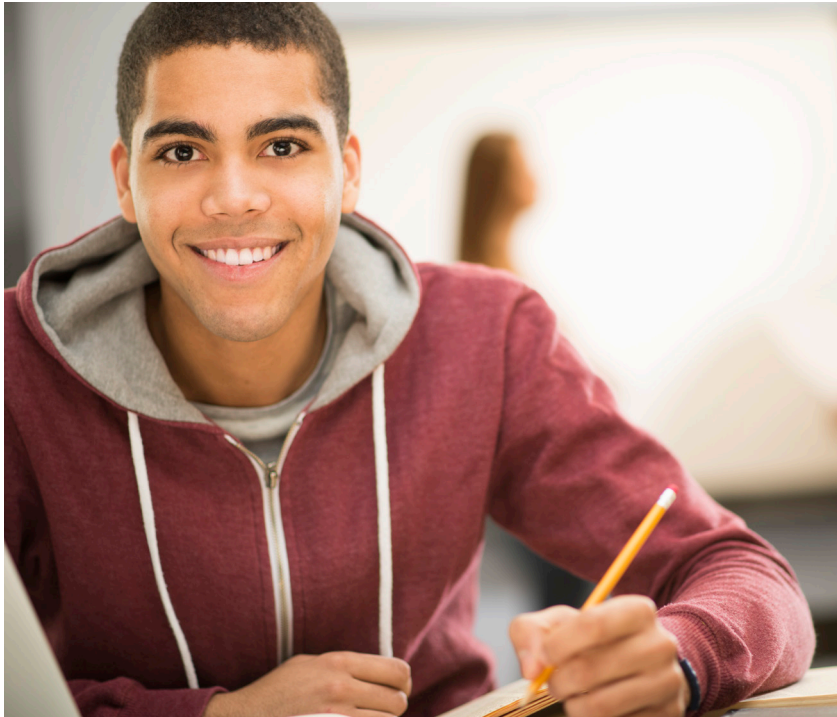

TABE 11&12 features new standards, a more-streamlined design, and improved technology:

- TABE 11&12 is 100% aligned to the new College and Career Readiness Standards for Adult Education set by the U.S. Department of Education's Office of Career, Technical, and Adult Education (OCTAE).
- TABE 11&12 includes three content areas—Reading, Math, and Language.
- Mathematics is now comprised of one test; split into a calculator and non-calculator sections.
- An improved Locator Test, which includes all three content areas, will be more predictive in placing students into the appropriate test level for TABE 11&12.
- TABE 11&12 aligns strongly to the TASC Test Assessing Secondary Completion™ and other high school equivalency (HSE) exams.
- TABE 11&12 features a new web-based scanning tool that supports automated data transfers. This eliminates the need for hand-entry of data and reduces administrative costs.
- TABE 11&12 Online is powered by DRC INSIGHT™, the industry's most reliable online testing system. This new online delivery system has no reliance on third-party software. TABE 11&12 and the TASC Test are now delivered on the same online testing platform.
- Online practice opportunities are available for each content area and level in the online testing platform to help examinees become familiar with the use of tools available during online testing. These practice opportunities are non-secure, so examinees can practice as often as they like from any location.

TASC: Providing Adult Learners with an Affordable, Flexible, and Accessible High School Equivalency Exam

Discover the most affordable, accessible, and flexible choice for measuring high school proficiency. The TASC Test Assessing Secondary Completion™ wins on value, implementation options, and solid college and career readiness content.

Accessible

The TASC Test can be taken at any approved testing site just like yours, and is available in both paper/pencil and online formats. This ensures that the test is available to as many examinees as possible.

Affordable

It is important that a high quality high school equivalency assessment remains available at a reasonable price. DRC developed the TASC Test to keep the price affordable when your test takers are ready to take this next big step.

Flexible

The TASC Test can be taken in English and Spanish, and it provides a number of accommodations for test takers with disabilities and health-related needs.

On-Demand Training and Support

Test center staff has access to on-demand resources that include training manuals and reference guides. These materials cover everything you need to know to administer the TASC Test in compliance with state policies and DRC regulations. With these on-demand resources you can easily train and retrain staff.

Getting Ready for the TASC Test

The TABE® test offered at many test center locations is a great way to help you determine a test takers level in each of the five TASC Test subtests. TABE results can tell you whether those test takers are ready to begin preparation for the TASC Test, or if they need to study and learn more basic skills first.

Join your colleagues and DRC, publishers of the TASC Test and TABE, for an in-depth look at your high school high school equivalency options today.
