

TABE 11&12 Accommodations

DRC is dedicated to serving TABE test takers with disabilities and health-related needs by providing alternative test delivery options for students with valid accommodation needs.

TABE 11&12 is available in:

- Regular-sized print
- Large-print
- Braille
- Audio CD formats
- Text-to-Speech

TABE 11&12 Enhanced, Affordable Scanning

With TABE 11&12, scanning becomes easier and more affordable for testing programs. Its new web-based scanning solution interfaces with DRC INSIGHT and the TABE Online database to allow tests to be scanned locally, using an affordable, image-based scanner and web-based software. Storing TABE online and paper testing data in the same database means greater data flexibility and easier data extraction from DRC's reporting system, which allows sites to easily import data into their local student information systems without the need to enter data manually.

TABE 11&12 Scanner Requirements:

- A "duplex" scanner that scans both sides of a page in one pass
- An automatic document feeder
- Must have the TWAIN driver software installed and tested on the computer attached to the scanner

TABE® 11&12

A nationwide assessment that provides
valid measurement of the skills that adults need
to succeed, both on the job and in life.

TESTS OF
ADULT BASIC
EDUCATION

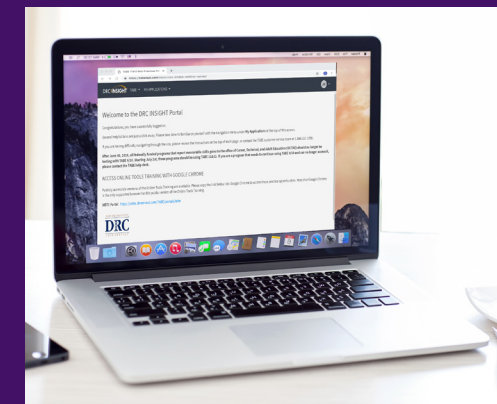

WHAT CAN TABE 11&12 DO FOR YOU?

The Adult Education landscape continues to change, putting pressure on students and educators across the country. The ability to track your adult learners' progress according to the new College and Career Readiness (CCR) requirements is critical to their future success, and to your adult education program. TABE 11&12 helps you make informed decisions about hiring, training, and employee advancement. From the most basic skill levels and through college level performance, TABE 11&12 gives you an accurate assessment of each individual's strengths and weaknesses to place the right person in the right job at the right time.

TABE ONLINE—Powered by DRC INSIGHT

DRC INSIGHT is a secure online testing system that delivers educational assessments to every state in the nation. It provides more flexibility and reliability to your TABE testing program, with the exceptional performance expected of national, high-stakes accountability measures.

Contemporary and Relevant Content

TABE 11&12 builds upon the already well-established reputation of the TABE family of tests. It has been designed to test the skills of adults in the context of everyday tasks, evaluating a broad range of fundamental skills. The content within each core subject is carefully selected to provide valid assessment information aligned to CCR standards. TABE 11&12 measures the necessary skills to be successful in everyday and work-related situations.

TABE 11&12 Fits Today's Needs

Data Recognition Corporation (DRC), in collaboration with our **Adult Basic Education (ABE) Advisory Board**, comprised of State Directors of ABE, carefully analyzed adult education needs as well as requirements in high school equivalency tests and federal legislation. We also considered requests from TABE users and other adult educators for specific enhancements and features. TABE 11&12 reflects these changes. It provides a highly reliable and flexible system of testing and training to meet the diverse assessment needs of adult educators nationwide.

Technical Excellence and Research

No adult skills test offers greater technical strength than TABE 11&12. TABE meets the highest standards of validity and reliability. It is based on statistically sound measurement models and extensive research and development. DRC's content experts and research scientists worked together to develop valid and reliable TABE 11&12 test questions with well-documented measurement properties; each question was examined in multiple item reviews. All test questions were field tested and item analyses were conducted to confirm the questions' measurement properties before becoming part of TABE 11&12. Field test examinees included a diverse sample of Adult Basic Education students from across the country.

TABE 11&12 Motivates Students to Succeed

The various levels of TABE 11&12 offer the flexibility to match the most appropriate test level with the examinee's functional level of achievement. This makes the tests interesting and engaging, reduces test anxiety, and allows examinees to experience early success and enhanced self-esteem.

DRC INSIGHT ensures that students and educators can focus on the test, and not the technology.

DRC INSIGHT empowers students to test online with its intuitive, easy-to-use interface, numerous accessibility tools, and accommodations that increase access for all learners.

Full Suite of Accessibility and Accommodation Tools for TABE Online

- Line Guide
- Answer Eliminator
