● ● ● **TABE ONLINE—POWERED BY DRC INSIGHT**

TABE® Online is powered by DRC INSIGHT™, the industry's most reliable online testing system. DRC INSIGHT is a secure, web-based platform that delivers educational assessments to nearly every state in the nation. It provides more flexibility and reliability to your TABE testing program, with the exceptional performance expected of national, high-stakes accountability measures.

DRC INSIGHT brings you the latest advancements in online testing:

- Intuitive, universally designed interface that is accessible for all students
- Administrator portal with improved organization and search functionality
- Consistent and reliable performance on a range of testing devices
- Powerful diagnostic and simulation tools to support technology readiness at testing sites

POWERFUL AND RELIABLE PERFORMANCE

DRC INSIGHT is a fast, powerful, and dependable online testing solution that provides a consistent and uninterrupted testing experience. An exceptionally stable platform, DRC INSIGHT has successfully delivered tens of millions of online assessments since 2010.

DRC INSIGHT ANNUAL ONLINE TESTING

- More than 25 million tests delivered in 2015–2016
- 11.4 million tests completed in a single month
- 1.1 million tests completed in a single day
- 17.3 million responses processed in a single morning
- 220,000 students testing at the same time (concurrent users)
- 2,200 responses processed per second
- Less than 0.05 seconds to process a response

Our proven track record of delivering high-stakes assessments means no delays to your testing schedules and no downtime for your students and staff. Our safeguards include:

- Innovative tools to support test centers with low bandwidth
- “Around-the-clock” performance monitoring and engaged technical support
- Robust, scalable infrastructure with back-up data centers
- Proactive planning and resourcing to meet the increased demand for testing online

DRC INSIGHT ensures that students and educators can focus on the test, and not the technology.

Tests of Adult Basic Education

TABE ONLINE IS THE MOST WIDELY-USED ONLINE ADULT BASIC SKILLS ASSESSMENT IN THE NATION.

TABE Online is an easy-to-use, web-based assessment and reporting system of adult basic and secondary education knowledge. It provides reliable skill-level data for adult educators to screen and place students in training or employment programs, or to determine readiness for success on a high school equivalency (HSE) test. TABE Online provides reliable information on your adult students' skills, and enables you to meet their needs more quickly and effectively.

Adult education professionals rely on TABE more than any other adult assessment in the country. Now powered by DRC INSIGHT, your TABE Online experience will be even more efficient for instructors and more engaging for students.
