Publishers Qualification and Privacy Statement

The above-named customer ("Customer") represents and warrants that:

1. Customer understands and has a general knowledge of measurement principles and the limitation of test interpretations. Customer is qualified to use and interpret the test results for products it purchases/licenses as recommended in the Testing Standards.
2. Customer will adhere to the guidelines, requirements and principles stated in the Data Recognition Corporation catalog, the Testing Standards, and all documentation included with or related to the assessment and materials associated with it ("Test Materials").
3. In particular, Customer agrees to comply with all security and confidentiality requirements for Test Materials, including without limitation the test results
4. Customer will administer Tests only as directed in DRC's Examiner's Manual.
5. Customer shall not without the prior written permission of DRC: (a) reproduce or store Test Materials in electronic or any other medium; (b) publicly disclose any Test Material or post any of it on a public site; or (c) decompile, reverse engineer or disassemble any DRC software.
6. Customer will notify DRC of any suspected breach of these conditions of which Customer becomes aware.

Data Recognition Corporation respects your privacy. We use your contact information to fulfill your request and service your account and to provide you with additional information from DRC you may find of interest.

You can also contact us at Privacy Official, DRC, 13490 Bass Lake Road, Maple Grove, MN 55311. View DRC's Customer Privacy Policy at: <http://www.datarecognitioncorp.com/Pages/privacy.aspx>

By submitting this form you are certifying that you are authorized to complete this PQS on behalf of Customer, and the statements made in this PQS are accurate. The Customer agrees to notify DRC of any changes to the information contained in this PQS, and understands that submitting a PQS does not constitute an obligation on DRC part to sell or license to any Customer.
