TABE COMPLETE LANGUAGE ASSESSMENT SYSTEM—ENGLISH

Enhance learning of English-language skills for your adult students

TABE Complete Language Assessment System—English (TABE CLAS–E) is a coordinated system of assessments, instructional support, and staff development materials. It provides you with the resources to assess the language proficiency of adult English language learners in the areas of reading, listening, writing, and speaking.

The items and passages in TABE CLAS–E focus on workplace, community, and education contexts that are practical and familiar and that will motivate adult learners. The TABE CLAS–E items are aligned with the NRS English as a Second Language (ESL) Educational Functioning Level Descriptors, Student Performance Levels, and several state standards for English language proficiency. TABE CLAS–E makes it easy for you to pinpoint student strengths and areas of opportunity and to demonstrate student gains for NRS reporting purposes.
